

Reventon Ranking List

NEW EXCITING SNOOKER RANKINGS EVENTS

The ABSC with the generous support of Chris Christofi and the Reventon Group will be introducing the "Reventon Rankings" in conjunction with the ABSC's ranking system. The Reventon Rankings will be a standalone system completely separate from the current rankings tournaments which are in currently in place.

The format will be nine chosen tournaments which will carry the Reventon Rankings and players **MUST** play in at least six of these tournaments to qualify to compete in the finals, which are to be held in the SnookerSA headquarters Adelaide.

At the conclusion of the nine selected tournaments the **TOP SIX** players from the Reventon Rankings will compete in the finals, providing they have competed in a minimum of six of the scheduled nine events. The Australian U/21 Snooker Champion and one wild card will also be invited to compete in the finals.

The format for the finals will be two groups of four playing in a round robin qualifying with the top two from each group going into a knockout draw.

The round robin matches will be best of seven frames, semi-finals best of nine frames and the final best of thirteen frames.

These finals should also be a great warm-up for those who are selected to play in the World Championships. They will have the opportunity to play on Shender tables, the same which are used in the IBSF World Championships.

Prize money for the event is **\$10,000, winner take all** so we should see some great snooker not only in the finals, but in all qualifying tournaments. The winner, if selected, will play in the world championships, and will wear the Reventon Group logo on his waistcoat.

Each final of the selected tournaments will be live streamed by CueballTV and a ten minute highlight package from each event will be posted on the ABSC website.

The Reventon Group logo will appear on the live streaming with the venue displaying a "pull up" sign advertising the Reventon Group services.

The ABSC will also send out to all its members the Reventon Group newsletter which offers you some great opportunities for investment. The more our members support the Reventon Group services, the greater the opportunity there is for an increase in sponsorship.

Finally, I would like to thank Chris Christofi and his Company, the Reventon Group, for their generous sponsorship and support of snooker within Australia.
