

Saturday Billiards Coaching and Masters Billiards Challenge

Attention all current and budding Billiardists.

Starting Saturday 5 May 2018 at 12 noon, and weekly (dependant on participation rates and interest) SnookerSA at the Venue will be organising a billiards coaching clinic hosted by State Director of Coaching and WPBSA accredited World Billiards coach Tad Babiak, with assistance as available by other accredited coaches, followed by organised Masters Billiards Challenge matches until closing time. (approximately 6.00pm)

Here is your chance to improve your game or to brush up on your knowledge and technique, followed by practical application in a structured but fun handicap competition.

Come along for the free coaching session or just come along after 1.30pm for the Challenge matches.

Numbers are strictly limited with a maximum of 12 students to the coaching clinic and a maximum of 16 players. Prior registration of interest required. Contact: sms 0402322462 "I'm in" with your name or email neotasic1@gmail.com to register. First in best dressed. I will advise by email when maximum numbers are reached.

N.B. Minimum 8 players required.

\$30 per player

(either with or without coaching clinic participation)
